

## Benefits for students covered by group medical insurance:

### Note:

1. The above information is for reference only. For details of the terms and conditions, please refer to the policy contract (Chinese version).
2. The terms and conditions of insurance policy (Chinese version) shall prevail if there is any inconsistency between the above information and the insurance policy.

### Outpatient/Emergency treatment benefit:

While this Policy is still effective, if the Insured suffers an illness or injury and receives (emergency) treatment at a hospital/clinic as an outpatient, the company will reimburse all medical expenses incurred. However, the payment of benefit shall not exceed **the limit of 1000 NTD (per visit)**.

### Daily hospital room benefit:

While this Policy is still effective, if the Insured suffers an illness or injury and receives treatment at a hospital as an inpatient, the company will reimburse the following expenses incurred. However, the payment of benefit shall not exceed **the limit of 1000 NTD (per day)**.

1. Extra expenses for a hospital room at a class higher than covered.
2. Board expenses other than for tube feeding.
3. Nursing expenses other than for special care nurses.

### Hospital miscellaneous benefit:

While this Policy is still effective, if the Insured suffers an illness or injury and receives treatment at a hospital as an inpatient, the company will reimburse the following expenses incurred. **The payment of benefit shall not exceed the limit of 120,000 NTD (per hospitalization)**.
